

Home Budget PC

Old pc not cutting it??? Looking to upgrade to a new pc for internet, email, writing letters, and running other low resource intensive applications??? Haven't got a lot of money to spend on a fancy new pc but don't want to run the risk of a cheap and nasty.

We can help with this budget Intel Core2 Duo E2140 PC. Designed to do all of the above easily without losing quality. This pc comes with Windows XP Home, 2x 512mb of DDR2 Memory, an 80gb Sata2 HDD, 19" LCD Monitor, Gigabyte Keyboard and Mouse, DVD Burner, and a 2 year RTB (Return to Base) Warranty.

Not exactly what you after??? Feel free to ask us about making some alterations, and we'll give you a quote on a pc specific for your needs.

Package from: **\$1,049**

PC only from: **\$785**

Whilst Stock Lasts

This is for a limited time only. This package will include running up Windows XP Home, and checking to make sure all pc components are working correctly. Any additional work will be charged out at a discounted rate of \$65 an hour.

Discount Printer Offer

For this month only, Gunners is dropping the prices of all bubble-jet printers and multi-functionals when you purchase a new pc. The more expensive the printer, the bigger the discount. Ask for more details.
